

Republicans are very hypocritical
user1

Especially with issue of Gun Control
user1

Yes, that is happening now
user2

The lies on Fox News are the worst
user2

It's high time they unite with the democrats to come up with a an effective solution to end this menace
user1

Not going to happen. They offer thoughts and prayers only.
user2

But they are hypocritical on so many thing
user2

Someone really needs to hold Fox News accountable for misrepresentation of facts
user1

I wish there were some way. But there isn't
user2

If there is an independent media then Fox has a choice to be so terrible.
user2

But otherwise there is no independent media.
user2

Some may say Democrats are hypocritical too. But it is a question of degree
user2

It's like the rest of the people have no right to exist
user1

Only a Republican could howl that the election was stolen while actively trying to steal the election.
user2

There are no words
user2

The filibuster rule should be scrapped
user1

Immediately!
user2

It's not even in the constitution
user2

The elections results was a big shock to them
user1

Though the Constitution is a little problematic too
user2

Were they shocked?
user2

I thought they were expecting to lose.
user2

Trump had managed to wrap them around his finger and you would even pose to ask if they have lost their mind
user1

You would have to ask? Ha ha
user2

Preachers were the biggest Trump supporters around here
user2

I can't even imagine preaching Jesus on Sunday morning and Trump every other hour
user2

Thank God we waded those waters succefully
user1

Haha
user1

Maybe we did
user2

To be honest, I think we are losing
user2

Time shall tell
user1

It's the filibuster, it's the electoral college
user2

Yes, time will tiell
user2
